## Celebrating and Praying for America

As we celebrate our nation's birthday on July 4th, it is a good time to focus prayer on our nation.

We are thankful that Roe vs. Wade has been overturned by the highest courts of the land as being an unconstitutional position for the federal government. Justice Alito stated, in his opinion, that the previous supreme court decision, made in 1973, as a right to abortion, "was egregiously wrong from the start....since the constitution makes no reference to abortion, and no such right is implicitly protected by any constitutional provision." We know that abortion will still be legal in some states in America, but it is a major moral victory, before God, that our nation does not now make abortion the official stance of our nation.

As we continue to pray for revival and harvest in our nation, we take hope that there seems to be a moral tide turning in America. It seems Americans are beginning to resist the push among certain sectors of our society (the desire of our enemy to strip our nation of our Christian foundation) to push our nation to new levels of perversity. Let us pray that hearts are open to hearing the true gospel message and to a true change of heart that salvation brings.

## Happy 4<sup>th</sup> of July!

Every awakening in America has happened at a time when it seemed there was no hope of evil being turned back. Let us continue to pray 2 Chronicles 7:14

*14 if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land.*
