Praise Report

We have prayed for Roe vs. Wade to be overturned. All of our prayers have been answered miraculously on June 24th when the Supreme Court overturned this national mandate allowing abortion.

District Minister's Renewal

Pray that pastors will attend this event in Branson on October 17th – 19th, 2022. Pray for District Superintendent, Don Miller, and the leadership team as they host this for pastors. Pray that every person attending will be renewed and empowered by the Holy Spirit. Pray that each pastor's vision for their place of ministry will be renewed and enlarged by Holy Spirit revelation. Pray for safety of those attending.

October is Pastor Appreciation Month

We want to make a focus praying for pastors this month as October is Pastor Appreciation Month. It is very challenging for pastors in the times that we are living. They are the front lines of the battle for souls and for the gospel to go forward.

Here are some prayer focuses for pastors:

1. Pray for quality relationships that will strengthen and encourage Pastors and their family.
2. Pray for physical safety and good health for Pastor's and their families.
3. Pray for wisdom and renewed vision for your pastor as he or she makes decisions that will impact the future of their congregation.
4. Pray that the Holy Spirit will continue to anoint them and empower them as they lead a church or ministry.

Thank you, Pastors!

In closing,

As the body of Christ, we are called in this time to walk in the power of the Holy Spirit, restraining the work of the enemy, as we give witness to the salvation that Jesus Christ brings through His sacrifice on the Cross. Prayer brings the empowerment for this.

The shaking that is taking place in the world can lead us to pray and call on God in humility and repentance which could bring about an awakening that would bring many people into the kingdom of God. This could change the direction of our nation.

Thank you for being a part of the army going forward in prayer!
