As we look back on the 2022 camping season and see the great spiritual results of our Teen and Kid's camps, let us continue to pray for Kids and Teen ministries in our churches. This is an extremely difficult time for kids growing up in this day of increased moral decay, when evil is many times forced upon them in various areas of our culture. But it is not a time to despair, but to pray. The book of Daniel is an encouragement that youth can be brought up successfully to follow God in this environment! God's power to keep is greater.

-Pray that our Youth and Kid's ministries will be strong and empowered by the Holy Spirit.

-Pray that ministries of churches will encourage, empower, and resource parents with dealing with difficult issues encountered in society today.

## Prayer Focus: People returning to church

Pray that people who dropped out of church during the covid pandemic will return to in house services. People need the spiritual and emotional encouragement that coming together to worship at church brings. Christians need the connections that church attendance provides, and online attendance does not fulfill.

## Prayer Focus: God's People to be bold in standing for truth and God's Word

Pray that Christians as the church of Jesus Christ will have the strength and boldness to be salt and light to stand up against the moral perversity being thrust upon our institutions.

Many Americans are standing up to the insidious agenda to infiltrate our schools and indoctrinate young minds in perverse positions on life, morality, sexuality, and identity. Thankfully, many citizens, as has happened in school districts in our area, have gone in to school board meetings and confronted and replaced those working for this agenda. Pray that the church will take the lead in resisting this tide of evil. We still have time to make a difference and even if we don't, we are called to stand as Christians against evil.

## Final Prayer Focus

Our theme in the Southern Missouri District is "Accelerate" the harvest. Let us continue to pray for the outpouring of the Holy Spirit to bring in a harvest at this time. The advancement of evil through the work of the enemy has caused many Americans to wake up and desire to turn back to the Lord. Pray for the church to be purified and filled to bring the gospel message and prepared to bring many into the Kingdom of God!

Thank you for your ministry of prayer. This is the way God releases His power on the earth and you will receive great reward for your faithfulness.

Blessings,
